

IMAGE RECOVERY COMPLETE.

PERSON 01: Standing.

PERSON 02: On floor.

DOOR: Closed.

I looked at the image.

Person 02 lay on the floor, upper body raised slightly from the wood.
The right arm extended forward. The fingers were open.

Person 01 stood in front of the door. The figure was positioned between
Person 02 and the door. The right hand was around the deadbolt's thumb-
turn.

The arm extended from the floor.

The hand was on the lock.

The door was closed.

I looked at the image again.

Person 02 lay on the floor, upper body raised slightly from the wood.
The right arm extended forward. The fingers were open.

Person 01 stood in front of the door. The figure was positioned between
Person 02 and the door. The right hand was around the deadbolt's thumb-
turn.

The arm extended from the floor.

The hand was on the lock.

The door was closed.

Not a single pixel had shifted.
